Business Manager: Mr Hadyn Flynn

Catholic Education Week 2015 26 July - 1 August

Catholic education strives to make a difference in the lives of those in our schools and in the wider community. By challenging young people to live out the message of Jesus and to reach their full potential as compassionate, contributing, life-giving members of society, Catholic Education Week is an opportunity for all Catholic schools to celebrate and promote their distinctive mission and ethos. St Stephen's will participate in a combined Tableland Schools mass next week at St Anthony's, Dimbulah.

St Stephen's Catholic College Parents and Friends Association

presents an important college community event:

"BULLIES AND BOUNDARIES"

by Denise Bewert

**Tuesday 11 August 2015 at 5.30 pm
S Block**

A discussion evening on the topical issue of bullying and cyber bullying in schools today with renowned author Denise Bewert.

RSVP Friday 7 August to Mrs Michelle Hall

Email: mhall3@sscc.qld.edu.au or
Phone: 4086 2500

About our Guest Speaker

Denise Bewert possesses a wealth of knowledge on the issue of bullying and working with children and adolescents. Denise is an author, journalist, university lecturer and has spent many years working in the education system both as teacher and guidance counsellor. Denise's impressive career has seen her gain expertise in all facets of work with young people; she is currently working at Centacare as a researcher and work shop facilitator. Denise is the author of **Troubled Teens and Tackling Teens**.

FROM THE Principal

Dear Parents and Friends of St Stephen's

"Engaging Minds. Igniting Hearts. Serving Others"
(Theme of Catholic Education Week, 2015)

Welcome back to term three. I trust you enjoyed quality time with your children during the semester break. The theme of this year's Catholic Education Week, which begins on 26 July, invites us to engage minds, ignite hearts and serve others.

At our college, we will launch Catholic Education Week with our Monday morning assembly on 27 July. On Wednesday 29 July, Mrs Gilbert, our APRE, and I will travel with several student representatives to St Anthony's School in Dimbulah to participate in a mass with our other Catholic schools on the Tablelands. As an inaugural event, Mrs Gilbert and our music teacher, Miss Sugars will host a Youth Rally on Friday 31 July from 3.30 to 5.30 pm. At this event, secondary students will be invited to participate in a liturgy as well as enjoying the performance of our talented liturgy band. A former student, Hope Musch, will be a guest speaker, sharing her faith journey.

During semester one, there were countless examples of our students engaging minds, igniting hearts and serving others. Not only did many students perform exceptionally well on their semester reports, but there were many instances of service to others through fundraising efforts to improve the lives of those less fortunate. In the academic field, the year 7 and 9 Naplan results for 2015 placed our college at above state average once again. According to a ranking system devised by 'The Australian', we are in the top one hundred schools in Queensland (54th place), and ninth in the provincial group. This is an affirmation of the good work carried out by teachers and students in the areas of numeracy and literacy.

An exciting project which has taken shape over the past few months has been the relocation of the original parts of the Watsonville church from Tolga. The beautiful chapel which has been reconstructed will provide a sacred space for both students and staff. Whilst not able to cater for the entire school population, its historical significance enhances our college environment and combined with the World War II bunker in the vicinity, reminds us of the importance of honouring the past. Our gratitude is extended to Bishop James Foley for ensuring that this dream has become a reality.

At the commencement of a new semester, it is important to revisit the college's expectations of our students. In keeping with our Mission Statement, students are encouraged to become independent learners and to take more responsibility for their learning. This means having a positive attitude, being well-organised and prepared for each lesson and completing class and homework to the best of their ability. Whilst our teachers are supportive and ready to assist, students are expected to seek assistance where needed, both during class and at recess times. For senior students in particular, this final semester is very important for their future aspirations.

I thank parents for the support they continue to provide to their children to assist them to achieve their potential. This support does not mean doing things for them, but empowering them to make wise choices.

While we endeavour to minimise disruptions to the timetable, this is not always possible. With the addition of three new teachers this term (Mr Paul Donovan, Mr Michael Luff and Mr Ben Herral), some students may have had a change of teachers. I thank you for your patience and support with these human resource changes.

The partnership between the school and home is a very important element in student success. We value your constructive feedback so that we can continue to improve our practices to achieve the best possible outcomes for students.

Trust in the Lord

Mrs Ida Pinese

CATHOLIC EDUCATION WEEK 2015
26 JULY - 1 AUGUST

FROM THE Deputy Principal Curriculum

With the distribution of formal reports at the end of semester one, students have had the opportunity, over the semester break, to reflect on their performance, while setting new goals for improvement in semester two. Our Year 12 students, in particular, need to remain focused and demonstrate a very committed work ethic in order to achieve their personal best. Reports are analysed by the Pastoral Leader of each year level, so that success can be celebrated and problems identified. This analysis of reports is beneficial in providing advice to students who need to review their subject choices. By the end of week two of this term, all subject changes should be finalised, so that students can focus on meeting their assessment commitments.

Year 8 Subject Selections

An information session for current Year 8 students who will be progressing to Year 9 in 2016 will be held on 30 July from 5.30 till 6.30 pm. Students will be issued with a Handbook containing detailed information about the subjects available as well as a subject selection form.

Year 10 Subject Selections

An information session for current Year 10 students, who will be progressing to Year 11 in 2016, will be held on the 30 July from 7.00 – 8.30 pm. It is imperative that parents and students attend, to gain further insight into the SET Plan (Senior Education and Training Plan) process and the requirements of the Queensland Certificate of Education (QCE). The evening provides an opportunity for students to explore potential subjects to be studied in their senior years, and seek advice on their pathway choices. On the evening students will receive a Senior Handbook and subject selection form.

The final step in the subject selection process is an individual interview with each Year 10 student, their parent/s, and one member of the school's Leadership Team to sign off on their SET Plan.

This is to ensure that the student's subject selections are appropriate for their future ambition and individual learning style, and to answer any remaining questions. Interviews will begin on Monday 17 August, and are 15 minutes long. A booking sheet will be available on the evening of the 30th. Alternatively, parents can contact the school office on 4086 2500 to make a booking.

Students who are absent from unable to attend the information evening can collect the relevant information from student services on their return to school. The P & F is offering a complimentary BBQ from 5.30 pm – 7 pm to all families attending the evening.

Forthcoming curriculum events include:

- 28 July FNQ Apprentice Roadshow
- 6 August: All day QCS testing
- 1 & 2 September: QCS TEST
- 7 to 10 September: Year 12 Block Exams

Please contact me if you have any questions about the above events.

Kind regards

Andrea Chiesa

Deputy Principal

AChiesa@sscc.qld.edu.au

Student Protection Officers

Bullying and harassment are serious issues in any school. Both behaviours are unacceptable at St Stephen's Catholic College. In the event you are being bullied or harassed or if you witness other students being victimised by such behaviour, please report this to our student protection officers: Mrs Ida Pinese (Principal), Mr Richard Baker and Ms Naomi Torres.

FROM THE Assistant Principal Administration

It's another busy start to the term, with preparations having been made for class photos and Parent/Teacher Interviews, both of which have already occurred. I would like to thank the teachers and students in managing the disruption to the normal routine. Student behaviour was very good, and the photographers were pleased with the process.

District Athletics is approaching and will cause further disruptions to normal routines. Students are reminded that it is their responsibility to catch up on work missed while away at competitions. The Under 12 competition is 23 and 24 July – this week, and the other age groups are in Week 3, 30 and 31 July. Those students who are participating at Districts will be given an itinerary to take home so that parents are aware of the times of the scheduled events.

I would also like to remind all students and parents that we appreciate their support in helping to curb hurtful comments in the school community. We all know that saying hurtful comments to others is a form of bullying, but passing on hurtful comments that we have heard is no less damaging. We encourage all students to think before speaking: is the information going to be helpful, or is it going to be hurtful? If the answer is the latter, then the information should not be passed on.

God bless

Lance Helms

Assistant Principal (Administration)

lhelms@sscc.qld.edu.au

Change of contact details?

To ensure communication is received, please advise the college if you have changed your contact details. Email office@sscc.qld.edu.au or phone 4086 2500.

FROM THE

Assistant Principal Religious Education

Catholic Education Week will be celebrated across Queensland from 26 July - 1 August this year. Catholic education strives to make a difference in the lives of those in our schools and in the wider community by challenging young people to live out the message of Jesus and to reach their full potential as compassionate, active, and life-giving members of society. Catholic Education Week promotes the special ethos of Catholic schools and highlights the great things that take place in Catholic schools every day. The theme for this year's celebration is: **Engaging Minds. Igniting Hearts. Serving Others.**

Our College will mark Catholic Education Week in a number of ways. On Wednesday 29 July, some of our students will travel to St Anthony's Catholic Church, Dimbulah for a Eucharistic celebration with other students and staff from schools in the Western Deanery. On Friday 31 July, all students from St Stephen's Catholic College are invited to attend a Youth Rally (Awaken) to be held in the Drama/Music Room from 3.30 pm – 5.30 pm. This exciting faith event will be led by students and staff and will explore the theme scripture for Catholic Education Week: **"Let your light shine"** (Matthew 5:16). The afternoon will include praise and worship led by the school liturgy band, prayer and reflection, games, food and fellowship and a very special presentation from our guest speaker and past student, Hope Musch, who will talk about her calling to serve others. Please encourage your child to collect a permission note if they wish to attend.

The National Evangelisation Team (NET) will visit the College on the 3 and 4 of August to lead our Year 10 and 11 students in Encounter Days. NET Ministries is a Catholic, value-driven initiative which ministers to young people across Australia.

Our Year 11 students will explore the example of Jesus as leader, values driven leadership and reflect on their own leadership potential, while Year 10 students will consider and reflect upon their life choices, in terms of their career, vocation and relationships.

Finally, I thank you for your ongoing support of the faith life of the College and look forward to working with students, staff and parents in my new role as Assistant Principal, Religious Education.

Laura Gilbert
Assistant Principal (Religious Education)
lgilbert1@sscc.qld.edu.au

FROM THE

Business Manager

Welcome back to all families for semester two. Diocesan policy is for school fees to be sent out early each term. Although we try our best to be 100% accurate, sometimes errors can appear during fee runs.

When you receive your fees and you have any questions or queries please do not hesitate to contact the Finance department directly via email gmenniti@sscc.qld.edu.au or 40862508.

Haydn Flynn | **Business Manager**
hflynn@sscc.qld.edu.au

St Stephen's Catholic College placed third overall in the Mareeba Rodeo Garden Competition (Best Commercial). Thank you to Inspired Gardens for their ongoing contribution to the college. ***Pictured above: Hadyn Flynn (centre) with and Chase and Ty from Inspired Gardens.***

YEAR 10 NEWS

Welcome back to term three! We have another 10 week term upon us, and your children should already be immersing themselves in homework and revision for their subjects.

A number of our Year 10 students have completed work experience recently, so hopefully this time has proven valuable in guiding students towards future career pathways. Subject selection evening is next Thursday, and this evening provides an opportunity for Year 10 students and their parents to talk to teachers about possible subject choices for senior study. I strongly encourage parents to attend to gain as much information as possible about future pathways for their children.

SET Plan interviews will take place mid-term, with Year 10 students meeting with their parents and a staff member to make their decision regarding subjects. It can be a daunting time for our 10s, as they may be uncertain about their career aspirations, but I want to remind them that nothing is final, and that a big, wide world of opportunity awaits them, regardless of what subjects they may choose now. I encourage them to have a go, and I hope they embrace this time of change with open minds and keen hearts.

A couple of uniform reminders were discussed with students at the start of this term: hair ties and ribbons are to be white, beige or navy blue. If girls wish to use the more common black or brown hair ties, they need to be covered with a white, beige or navy blue ribbon. As we've also had some cold mornings recently, students are reminded that the only jumpers allowed are the college jumpers. If boys wish, they may wear long pants instead of shorts, and girls have the option of wearing black stockings (70 denier) for warmth as well. Students are not to wear track pants or any other sort of winter attire.

Lastly, I will be going on maternity leave this term, but the Year 10s will be left in capable hands, and I look forward to keeping up-to-date with their progress throughout the remainder of the year.

Although it is an exciting time for me and my family, I will definitely leave with some sadness, as it has been an absolute honour to work with our Year 10s this year. I sincerely thank you all for your support.

Mrs Stacey Crockford
Middle Leader Pastoral (Year 10)

UPTOWN MUSIC TEACHING STUDIOS

Bringing Music into your life ...

YEAR 8 NEWS

Welcome back to term three. I hope you and your family had some much needed rest and relaxation. Now that students have experienced half a year at St Stephen's Catholic College, they should be more than familiar with how everything works. It may only be week two, but with report cards fresh in their minds, your children should be looking at setting and working towards attainable goals for semester two.

1. Hair ties and ribbons are to be school colours only (**white, beige or navy blue**). If girls wish to use the more common black or brown hair ties, they need to be covered with a white, beige or navy blue ribbon.
2. During the colder months students are permitted to wear the College jumper to stay warm. Girls also have the option of wearing black stockings (70 denier) for warmth. Students are not to wear tracksuit pants or any other sort of winter attire.

Mr Lachlan Greene

Middle Leader Pastoral (Year 8) (Acting)

lgreen@sscc.qld.edu.au

Next Thursday 30 July, all parents are invited to attend the Year 8 into 9 Subject Selection evening. At this event parents and students will be able to talk to teachers about elective choices for 2016. All students are required to do the core subjects of English, Mathematics, Science, History, Geography, Religious Education and Health and Physical Education, but may choose two subjects which they want to study as electives. They will be able to select from numerous subjects, many of which students have had a chance to experience this year in one unit rotations. Please see information below regarding the evening.

Students are encouraged to wear their uniform with pride. There are a couple of uniform reminders that have been discussed with students recently.

Mathematics Tuition

Students seeking help with their Maths may attend a tuition/homework class on Tuesdays and Thursdays at second recess in the MCR classroom. Mr Ellison and Miss Sugars will be in attendance to assist students at both Junior and Senior levels with any difficulties they may be experiencing.

A roll of attendance will be kept for these sessions.

ST STEPHEN'S CATHOLIC COLLEGE INFORMATION EVENING FOR SUBJECT SELECTION THURSDAY 30 JULY 2015

St Stephen's Catholic College, McIver Road, Mareeba

Subject selection for Year 9, 2016		Subject selection for Year 11, 2016	
5.30 pm	Greeting and outline of evening's program	7.00 pm	Greeting and outline of evening's program
5.35 pm	Principal's Address	7.05 pm	Principal's Address
5.40 pm	Overview of Year 9 curriculum & selection process	7.15 pm	How to make subject choices; curriculum offerings; SET Plans; QCE/OP implications
5.50 pm	Parents and students visit subject displays	7.30 pm	Parents and students visit subjects display
6.30 pm	Evening concludes	8.30 pm	Evening concludes

Parents of Year 8 students can remain after the session and Year 10 parents may arrive early to join in a BBQ run by the P & F from 5.30-7 pm. This is a great opportunity to socialise with other parents and teaching staff.

Uniform Policy

JEWELLERY	
 YES	 NO
 Plain studs (<5mm)	 NO Hoops
 Studs (with one small stone)	 NO Huggies
 Sleepers	 NO Pearls
 Acceptable plain signet ring	 NOT Acceptable

Hair: Students are expected to have a natural single colour or shade. Hairstyles are to be compatible with the uniform and not of a radical style. Hair is to be kept neat and tidy. Girls with hair longer than shoulder length should have their hair tied back using **white, beige or navy blue** hair restraints. Long hair is to be restrained and not to fall across the face. Boys' hair must be above the collar, tidy and worn off the face; hair ties/restraints are not permitted. Undercuts are not to be visible. Students are not permitted to have shorter than a 'number 2' clip. Boys must be clean-shaven.

Hat Policy: Students are expected to wear the formal hat or navy blue hat to and from school each day. The white bucket hat may be worn at school during school hours only. One of the three hats must be worn during morning tea and lunch breaks.

SHOES	
 YES	 NO
 <ul style="list-style-type: none"> • Leather • Lace-up • Heel approx. 1-2 cm 	 Ballet-style shoes with or without a heel Limited coverage of foot
	 Has heel, but incorrect style
	 Flat bottom Insufficient support

Jewellery: Girls may wear up to two plain silver or gold sleepers, or studs less than 5 mm in diameter (may contain a small birthstone) in each ear, plain fine metal neck chain with a Christian religious medal or crucifix attached; watch; one small signet or small plain ring and a medic alert. **Other visible body jewellery including piercings covered by band aids, is not acceptable.** Boys may wear one small sleeper or stud and comply with other aspects as described above.

Other Uniform Aspects:

- Make-up and nail polish are not permitted.
- Any alteration to the standard school uniform must be accompanied with a written explanation from a parent/guardian that should be provided to the Home Room teacher.

St Stephen's Plays Host

At the end of last term, St Stephen's played host to two sporting matches between our regional schools.

Above: St Stephen's Girls Soccer Team played against St Monica's from Cairns in the Bill Turner Trophy. Congratulations to St Monica's for winning the match 5-2. Well done to all players for their commitment and effort.

Above: After two convincing wins against Mareeba SHS and Atherton SHS, the boys were unable to beat TAS at the end of last term. The team showed great sportsmanship in all three games and represented the college with pride. Congratulations to all players.

Activities / Sport

Muluridji Triumphant at Athletics Carnival. Good spirited competition and excellent individual efforts were on display over the two day event last term. Many students had been working hard and training in preparation for the carnival and it was fantastic to see a number of school records broken, as a result.

The Pastoral House Captains are to be commended for organising house themes and performances with many students going all-out to demonstrate their pride in their house. Deacon House showed their true spirit winning the House Spirit Award. Records were broken and races were won, but it was the "give it your all" attitude shown by nearly every competitor that fostered a wonderful atmosphere at the event. I congratulate our new record holders, age champions and the battlers who all gave 100%. Special thanks must go to all the parents and friends who came to support the students and in particular the staff who helped make the event such a success.

Tableland Athletics Carnival: the last two years St Stephen's has won the district athletics carnival. We would love to do it again this year to make it a trifecta. On Thursday the 30th and Friday the 31st July, we will get the chance to defend our title as we do battle with the other high schools in the Tableland District Athletics Carnival. This year the district carnival is being held at Atherton State High School. The U12 District Athletics Carnival will be held at Mareeba Primary School on Thursday 23 and Friday 24 July. Students have been selected based on the following results from our school athletics carnival:

- 1500 m & 800 m- 1st, 2nd, 3rd
- 400 m, 200 m, 100 m- 1st
- 4 x 100 m Relay- 1st, 2nd, 3rd, 4th in the 100 m
- All Field Events- 1st, 2nd
