

Elective Subjects

Year 9

All students will study English and Mathematics, History, Geography, Science, Health and Physical Education, and Religion. These will be automatically added to your timetable. Please check the information provided in the Junior Curriculum Handbook if necessary before choosing your electives. Every effort will be made to give you the subjects you choose, but not all combinations can be guaranteed. You are required to select a total of 8 semester length elective subjects following the criteria outlined below. You will be timetabled into two of the options, one on each line; the third and fourth will serve as reserve options. French, Japanese, Italian and Music are yearlong courses. Students selecting these subjects must study them of the entire year.
